NAVSPACECOMINST 5450.4

OCT 28 1986

NAVSPACECOM INSTRUCTION 5450.4

From: Commander, Naval Space Command

Subj: MISSION, FUNCTIONS AND TASKS OF FLEET SURVEILLANCE SUPPORT
COMMAND (FLTSURVSUPPCOM)

Ref: (a) OPNAVNOTE 5450 Ser 09B2E3/6U309744 of 28 Jul 86

Encl: (1) Functions and Tasks of FLTSURVSUPPCOM

1. Purpose. To publish the functions and tasks of FLTSURVSUPPCOM under the mission established by reference (a).

2. Mission. To operate and maintain Navy Relocatable Over-the-Horizon Radar (ROTHR) systems necessary to provide wide-area oceanic surface and air surveillance data to support fleet commanders and to assist in training that will produce qualified operators and other support personnel for the entire ROTHR system.

3. Status and Command Relationships. FLTSURVSUPPCOM is a shore activity, under a Commanding Officer, in a Development Status effective 11 July 1986, due to become Active (Fully Operational) on 1 July 1987.

a. Command Specifics:

Mailing Address:

Commanding Officer
Fleet Surveillance Support Command
Chesapeake, VA 23322-5010

SNDL: FN4

PLA: FLTSURVSUPPCOM NORTHWEST VA

Activity Code: 3161-200

UIC #: 45854

1103

Administrative Chain of Command (Echelon and Command)

1. Chief of Naval Operations
2. Commander, Naval Space Command
3. Commanding Officer, Fleet Surveillance Support Command (ADDU)* FLTCINC

b. Operational Relationships

Fleet Commander in Chief

Commanding Officer, Fleet Surveillance Support Command (ADDU)*

*Where FLTSURVSUPPCOM Detachments are located in FLTCINC Area of Responsibility .

c. Area Coordination. Commander in Chief, U. S. Atlantic Fleet will exercise area coordination through Commander, Naval Base, Norfolk, VA or through such other commands and activities as may be further delegated by appropriate authority.

d. Support. FLTSURVSUPPCOM is a tenant activity located at the Naval Security Group Activity Northwest (NSGA Norhtwest), Chesapeake, VA, which serves as the host activity. NSGA Northwest will provide a full range of support services as specified in Support Agreement Number N63891-86179-001 of 15 Aug 86. Civilian personnel services will be provided by the Consolidated Civilian Personnel Office (CCPO) Norfolk, VA, as specified in Support Agreement Number N68845-86135-072 of 05 Aug 86.

4. Detachments. Operational ROTH systems will be deployed as detachments under Officers in Charge, operationally and administratively reporting to CO FLTSURVSUPPCOM.

5. Overseas Diplomacy. FLTSURVSUPPCOM Detachments located overseas will serve as an effective instrument of U. S. foreign policy by initiating and continuing action programs which promote positive relations between the command and foreign nationals. These programs furthermore will assist individual naval personnel and their families to work effectively, live with dignity and satisfaction, and function as positive representatives of the Navy and of the United States while overseas.

3GT 28 198E

6. Functions and Tasks. FLTSURVSUPPCOM functions and tasks are shown in enclosure (1).

7. Action. In accomplishing the assigned mission, the Commanding Officer, Fleet Surveillance Support Command, will ensure performance of the functions and tasks in enclosure (1). Any recommended changes to this instruction should be submitted to COMNAVSPACECOM.

FUNCTIONS AND TASKS OF FLEET SURVEILLANCE SUPPORT COMMAND

1. Functions.

Intelligence. FLTSURVSUPPCOM provides for the collection, evaluation, interpretation and dissemination of intelligence for over-the-horizon information and acts as Type Commander (TYCOM) for Relocatable Over-The-Horizon Radar (ROTHR) systems worldwide.

2. Tasks.

a. Provides wide-area oceanic surface and air surveillance data. Maintains FLTSURVSUPPCOM and detachments at sites throughout the world. Includes management, administration, supervisory, clerical, maintenance and supply support required to support the entire functional area.

b. Provides technical support to FLTSURVSUPPCOM detachments. Performs analysis and selection of equipment, radar/communications/computer system interface, integration and interoperability. Prepares and implements mobilization and contingency plans for sites. Provides technical support and assistance for the future Space Information Management System.

c. Provides operational interface between FLTSURVSUPPCOM and OTH-B, Fleet Commanders in Chief and Chief of Naval Education and Training. Identifies solutions to deficiencies in operational requirements. Provides for evaluation of systems and analysis of validity of extracted data to identify problems and provide solutions.

d. Provides for ROTHR facilities planning maintenance and support. Develops and implements policy pertinent to base operating support systems contracts.

e. Deploys operational ROTHR systems to designated sites for Fleet CINC operational tasking.

f. Provides Base Operations Support to deployed FLTSURVSUPPCOM ROTHR detachments where no host facilities exist.

g. Maintains liaison with host commands at which FLTSURVSUPPCOM ROTHR detachments are located.

h. Provides input for plans, programs and budgets to higher authority for current and future ROTHR requirements.
